 Southern Region (R8)  
 Eastern Region (R9)  
 Alaska Region (R10)

## Site Visit\* Use Estimate by Proxy† for Overnight Use Developed Sites

NOTE: Only forests with OUDS proxy data are displayed.

\* A Site Visit is the entry of one person onto a national forest site or area to participate in recreation activities for an unspecified period of time .

† Proxy is a direct count of items (fee envelopes, ski ticket sales, room rental receipts, sites occupied, traffic counts, etc.) that represents recreation visitation to a Forest Service site or area by an individual, a group, or a vehicle. The forest reported this number and NVUM data was used to convert the proxy count into a Site Visit estimate.
