 Salmon-Challis NF (FY 2014)
 Caribou-Targhee NF (FY 2010)

* A National Forest Visit is defined as the entry of one person upon a national forest to participate in recreation activities for an unspecified period of time. A National Forest Visit can be composed of multiple Site Visits.

† Non-respondents to age questions were excluded from analysis. Calculations are computed using weights that expand the sample of individuals to the population of National Forest Visits.
